There is a very handsome frock coat, entirely new this season, that will look well with almost any style of trouser pattern. It is made double-breasted. with either three or four basket buttons, and is bound with sewing silk army braid, laid on flat. This garment is very appropriate for walking, and is said to be well adapted for elderly gen-tlemen. It is made of an Oxford mixed diagonal cloth.

Overcoats will this season be worn double-breasted. There is but slight difference in the length, the change, if any, being one of increase. The tendency toward tightness in wearing apparel is as apparent in the overcoat as in other garments. They are made to Nervous Exhaustion, fit snugly and to follow the shape of the figure down to the upper limit of the skirt. The collar of the fall overcoat must be of the same material as the body of the garment, while on the winter coat a velvet collar may be worn .-Boston Herald.
